FOR REAL JOB SECURITY —GET AN I.C.S. DIPLOMA

"You can stop worrying, Jane. My job's secure now! And here's the insurance policy to prove it—my I.C.S. diploma!"

This feeling of security is probably typical of every I.C.S. graduate. Because—as the job situation gets tighter, the man with I.C.S. training has the advantage.

Why? Your I.C.S. diploma tells your present employer three important things: (1) You want to make the most of your present job.

(2). You have the training you need for advancement. (3) You look for better ways of doing things on your own.

What you do about your future is up to you. Do nothing and stay at your present job at the same old pay. Or earn an I.C.S. diploma in your spare time for *security, promotions, more pay!* Your first step is to mark the course that interests you in the coupon below, and mail it to us.

Three Free Booklets

We'll send you three interesting booklets: (1) "How to Succeed" is a career guide of helpful tips that point out many small things in your personality and behavior that can make the difference between success and failure; (2) A booklet telling you about the opportunities in the field of your choice; (3) Sample I.C.S. lesson.

Small investment now means big gains later

Many an I.C.S. student has reported a substantial increase in pay after only a few months of training. By studying at home in your spare time and applying what you learn on the job, you pay yourself many times an hour more than you're now making.

The security of your present job—or the success in finding the new job you've always wanted—is in *your* hands. Move ahead with I.C.S. training while others stay behind on the routine, small-pay jobs. Remember, your first step to security and success is to mail this coupon. Take a few minutes and do it *now*. Putting it off will put you further behind in the race for higher pay and real job security.

★ DUM DUM

SHARON SHEELEY JACKIE DE SHANNON

Dum dum, a-deedle-de dum
 Dum dum, a-deedle-de dum
 Oh yeah, dum dum, a-deedle-de dum
 A-music is sweet
 The lights are low
 They're playin' a song on radio
 Your mom's in the kitchen
 Your pa's next door
 I want to love you
 Just a little bit more
 Dum dum, a-deedle-de dum
 Dum dum, a-deedle-de dum
 Sing it up, dum dum, a-deedle-de dum
 Come on, baby, don't you be so shy
 You know that I love you
 Let me tell you why
 You got a heart
 I know that it's true
 I can't love you any more than I do
 Sing, dum dum, a-deedle-de dum
 Oh yeah, dum dum, a-deedle-de dum
 One more time, dum dum, a-deedle-de dum

I want you with me all of the time
 Tell me you love me and you'll be mine
 There's so many things we can do
 So say the words and make my dreams come true

Sing, dum dum, a-deedle-de dum
 Uh huh, dum dum, a-deedle-de dum
 Sing it up, dum dum, a-deedle-de dum.

★ A TEAR

LUTHER DIXON WILLIE DENNISON

A tear can't stop this
 Little drop of water called a tear

Ever since you went away
 This little drop of water's been here
 So my, darling, tell me why
 Why you want to make me cry
 Come here and stop this little drop of water called a tear

As long as you're in love
 You'll find as you go through the years
 From your heart love will bring laughter

And from your eyes, love will bring tears, tears, tears

A tear, what is this little drop of water called a tear

When you break my heart
 This little drop of water appears
 I guess it's something I can't explain
 Why this little ball of rain falls from my eyes

A little drop of water called a tear.

★ RIGHT OR WRONG

WANDA JACKSON

Right or wrong I'll be with you
 I'll do what you ask me to
 For I believe that I belong
 By your side right or wrong
 Right or wrong it's gotta be
 Always you, always me
 Won't you take me along
 To be with you right or wrong
 If it's right for me to love you
 It couldn't be wrong for me to care
 If you will say you love me
 My life with you I'll share
 Right or wrong, day by day
 All my love, all the way
 For I believe that I belong
 By your side right or wrong.

★ WOODEN HEART

FRED WISE BEN WEISMAN
KAY TWOMEY BERTHOLD KAEMPFERT

Can't you see I love you?
 Please don't break my heart in two
 That's not hard to do
 'Cause I don't have a wooden heart
 And if you say goodbye
 Then I know that I would cry
 Maybe I would die
 'Cause I don't have a wooden heart
 There's no strings upon this love of mine

It was always you from the start
 Treat me nice, treat me good
 Treat me like you really should
 'Cause I'm not made of wood
 And I don't have a wooden heart.

★ THE FISH

MANN APPELL LOWE

Do the Fish, do the Fish, the Fish, the Fish
 Do the Fish, do the Fish, the Fish, the Fish

Come on, baby, and do the Fish
 I'm gonna teach it to you right
 Come on, baby, just like this
 We're gonna do to that Fish tonight
 It's easy, baby, so follow me
 It's not so bad to do
 And once you do it you're gonna see
 That you like it, too
 Now sing it, do the Fish, do the Fish, the Fish, the Fish
 Come on, come on, do the Fish, do the Fish, the Fish, the Fish, oh yeah
 Before I met you I always thought
 There are lots of fish in the sea
 The way you're movin' around
 You can only Fish with me.

You're really learnin'
 You're doin' fine
 I like the crazy way you sway
 For when I got you on my mind
 You'll never get away.

DANNY WEBB

One summer night, we fell in love,
 One summer night, I held you tight,
 You and I under the moon of love.
 One summer night, I kissed your lips,
 One summer night, I held you close,
 You and I, under the moon of love
 You kissed me, oh, so tenderly,
 And I knew this was love;
 And as I held you oh, so close,
 I knew no one could ever take your place!
 Oh, one summer night, we fell in love,
 One summer night, I held you tight,
 You and I under the moon of love.

TOMMY BOYCE CURTIS LEE

Angel eyes, I really love you so
 Angel eyes, I'll never let you go
 Because I love you, my darling angel eyes
 Angel eyes, you are so good to me
 And when I'm in your arms
 It feels so heavenly
 You know I love you
 My darling, angel eyes
 I know you were sent from heaven above
 To fill my life with your wonderful love
 I know we'll be happy for eternity
 I know, oh, oh, oh, know, oh,
 That our love is real
 Because I love you my darling angel eyes.

★ SCHOOL IS OUT

ANDERSON BARGE

One, two, one, two, three, four
 No more books and studies
 And I can stay out late with my buddies
 I can do the things that I want to do
 But only my gal will do
 I could root for the Yankees from the bleachers
 And don't have to worry about teachers
 And I'm so glad that school is out
 I could sing and shout
 School is out
 Everybody is gonna have fun
 Everybody is gonna jump and run
 Come on people, don't you be late
 I just got time to take my girl out on a date
 School is out at last
 And I'm so glad I passed
 Everyone is comin' over here
 We're gonna have a night when daddy's here
 Come on, daddy, go, go daddy,
 Come on, come on
 Let's celebrate
 The pony's here
 School is out

★ I'LL BE THERE

BEN E. KING ELMO GLICK

You can reach the top
 Or suddenly drop
 All your burdens
 I'll gladly bear
 Just run to my arms
 Yes, right or wrong
 No matter what happens
 I'll be there
 And darling, darling
 I'll be there
 Whoa, I'll be there
 To protect this love
 We share.

If your friends desert you
 When things go wrong
 You can always be sure
 I care
 When you face each dawn
 And you think you can't go on
 You know I'll, I'll be there
 And darling, darling,
 Yes, I'll always,
 I'll always be there.

Wanda Jackson

right or wrong?

When a Country and Western artist makes a record that makes it "big" on all the musical charts, fans sometimes think this person is becoming too "commercial." This, sometimes, has been true, especially in the early days of Rock and Roll when top singers were making Rock and Roll sides, a thing they hadn't done before, just to cash in on a coming trend in music.

But over the last few years, Country Music has become an integral part of the "pop" music scene. Patsy Cline, an out-and-out country singer got well up into the top 20 with a tune called "I Fall To Pieces." And now, Wanda is becoming well known outside the C&W Field for her great rendition of "Right Or Wrong," on Capitol Records.

Miss Jackson, a vivacious brunette who hails from Maud, Oklahoma, is in her early twenties, but already she's had more success than most performers ever attain.

She started entertaining at age 13 on a talent show on KLPR in Oklahoma City, Oklahoma, playing the guitar while singing. After only a year, she had her own sponsored radio show on the same station.

Hank Thompson, that veteran western band-leader and recording star, gave Wanda her first big break by having her cut a record, in March,

1954. That record went to the top of the Country and Western Charts and stayed there for over twenty weeks. It was a Decca release, "You Can't Have My Love," backed with "Lovin' Country Style."

That was just the beginning. Since then she's had a whole slew of hits, sometimes teaming up with Billy Gray, another top C&W artist. What makes it even more amazing is that this gal writes her own tunes! She wrote "Right Or Wrong," a beautiful rock-ballad, and many of her top hits were penned by herself.

She has a style reminiscent of Teresa Brewer or Brenda Lee, but Wanda puts her own special magic into what ever she does. Wanda's style is well-suited to either Country, Pop or Rock and Roll music, and we predict great things for her in the future.

She has all of the basic ingredients of a star: talent, personality and good looks, as you can see in the above picture. As a stage performer, she's terrific, and she's done extensive television work.

Right or wrong? Should a country artist be versatile? Should she appeal to different musical tastes? We think so, and we think Wanda fits the bill perfectly, and we know it's all "right" with you, too!

BOBBY RYDELL

Has Come Of Age

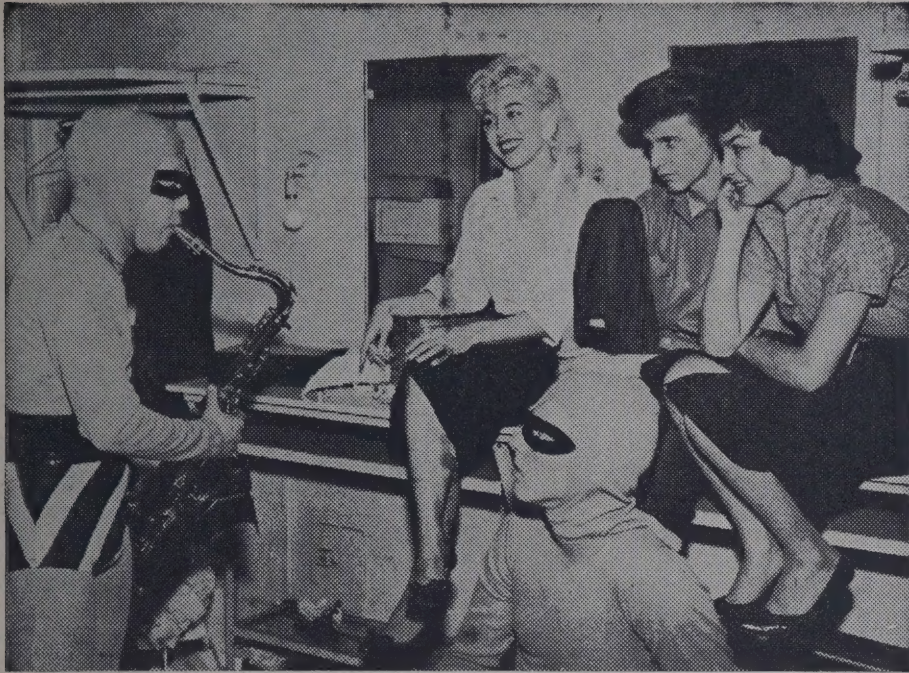

**This Teen Performer
Is Now Wowing 'Em
In All The Top Nite
Spots In The Nation**

The handsome young man stepped to the mike at the fabulous Copacabana in New York City, started to sing an up-tempo, swingin' version of "Volare," and brought, down the house! With such polished delivery, a terrific voice and flawless timing, the patrons were amazed that the young man was one of the nation's top teen Rock and Roll idols, Bobby Rydell. Large audiences don't faze this debonair lad.

Success hasn't come overnight for Bobby, however. One of today's talented teenagers, he's climbing the ladder of success on a solid foundation of musical training and experience. Bob has always had the dream of being an entertainer uppermost in his mind and nothing has stopped him yet in pursuit of his goal.

At the age of seven, Bobby was entertaining his family doing impersonations of famous show business personalities; Jerry Lewis, Louis Prima, Red Skelton, Johnnie Ray, Sammy Davis, Jr., and many others. His father, Adrio Ridarelli, perceptive man that he was, had dreams of his son becoming a star, and, unlike some parents of talented children, did something about it. Convinced of his son's ability, he had the now

Backstage at California nite spot, Bobby talks show biz with local Rock and Roll band, the "Phantomettes", two gal singers.

West Coast deejay shows Bobby one of his hit discs in radio station record library, where he was interviewed on show.

Bobby smiles while holding hands with beautiful Joanie Summers, top teenage thrush obviously enjoying herself.

nine-year-old Bobby audition for the Paul Whiteman "TV Teen Club" Show. Paul, long known in the show world for spotting new talent, liked the boy's impersonations, thought he had a real flair for theatrics, and signed him on the spot. The name Rydell was also suggested by the genial "Pops."

Today, nineteen-year-old Bobby Rydell has come a long, long way from his inauspicious beginnings. He has the teenagers screaming for more at Rock 'n' Roll Shows and buying his discs at a "record" clip. He's also arousing professional interest — so much so that veteran recording men are acclaiming his natural ability as a showman, as well as a singer.

A few years later, Bobby was singing with a Rock 'n' Roll group known as "Rocco And The Saints," a group which included a long-time friend, Frankie Avalon. One night, while playing at a New Jersey club, Bobby met Frankie Day, an introduction that was to launch his big-time career.

At the time, Frankie was playing bass with a Rock 'n' Roll group called "Dave Appel and The Apple Jacks," and he watched Bobby closely, liking the way the kid acted up on stage. Later, he approached Bobby about making a record,

and Bobby said "sure," his father inviting Frankie to act as his son's manager.

Day was the one who saw the new talent in the young Rydell lad. He set the boy to a rigorous schedule of dancing lessons, music classes (Bobby plays guitar and drums) and vocal coaching, all of which helped to make him the polished performer he is today.

Bobby was now ready for records, and, after a fairly successful first outing, came up with "All I want Is You," following that smash with "Kissin' Time," high on the charts for weeks. Some others were "Wild One," "Swingin' School," "Ding-A-Ling," "We Got Love," "Volare," and "That Old Black Magic."

On meeting him, one is immediately impressed with the fact that here is no run-of-the-mill wise kid record star. Bobby has both feet planted on the ground, and amazingly in this day and age, exhibits politeness and command of the situation wherever he goes. The long hours of hard work have paid off handsomely, and Bobby Rydell is fast becoming one of the top entertainment attractions in the country.

★ YOU DON'T KNOW WHAT YOU'VE GOT

PAUL HAMPTON GEORGE BURTON

You don't know what you've got
Until you lose it
You gave me all your love
But I abused it
And now I'm sorry for the things
I didn't say
'Cause I know how I acted
In a foolish way
Oh, yeah, oh, yeah
You don't know what you've got
Until you lose it
You gave me all your love
But I misused it
I never knew how lonely
Loneliness could be
And now I need you, dear
As you once needed me
Oh, yeah, oh, yeah
And now, if you'd come back
To this lonely heart you own
I'd give you some good lovin'
Like you've never known.

DAVE BARTHOLOMEW ANTOINE DOMINO

I like the way you talk
I like the way you walk
Let me hold your hand
Try to understand
I want a girl like you
To tell my troubles to
Don't you be afraid
You heard what I said
Have you heard the news
You I'd hate to lose
Please come to my side
Don't say goodbye
Let the four winds blow
Let 'em blow, let 'em blow
From East to West
I love you the best.

Oh, darlin' a-bless you
Bless ev'ry breath that you take
Bless ev'ry move that you make so perfectly
And bless your little heart for lovin' me

I can hear those drums a-ringin'
Ringin' loud, so loud and weird
We heard those mountain lions
Mumbo jumbo in the air
Children, your teacher's cryin'
Take your books and all of your wealth
And lay them beneath your head
I said boom till the Aramy
I said boom till the Pigamy
I said boom till the Cherokee
With an arrow thru his head he lay.

Greetings,

Well, back to school again, and we're back again with another swingin' HIT PARADER.

Turn your orbs to the great feature story on Duane "Twangy Guitar" Eddy, a successful guitarist now in Hollywood makin' "flicks"! He's got what it takes!

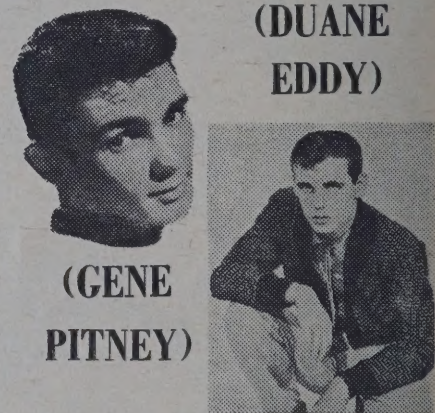

Frank Sinatra, the "Chairman of the Board," comes into focus in this issue. Read "Frank Sinatra — Still The King" in this swingin' number.

And the gals are well-represented this month by Damita Jo, that "Save The Last Dance" girl. Another wonderful star, Wanda Jackson, a new face to some of you out there, is also featured in the story, "Wanda Jackson — Right Or Wrong?"

That "Swingin' Scholar," Bobby Rydell comes your way by popular demand in a groovy piece entitled: "Bobby Rydell Comes Of Age," so flip the page to this newest rage! (A poet?)

Les Paul and Mary Ford, longtime favorites, are our subjects for a fea-

ture story this month, so read about how he makes all of that music with one guitar. And Mary, too!

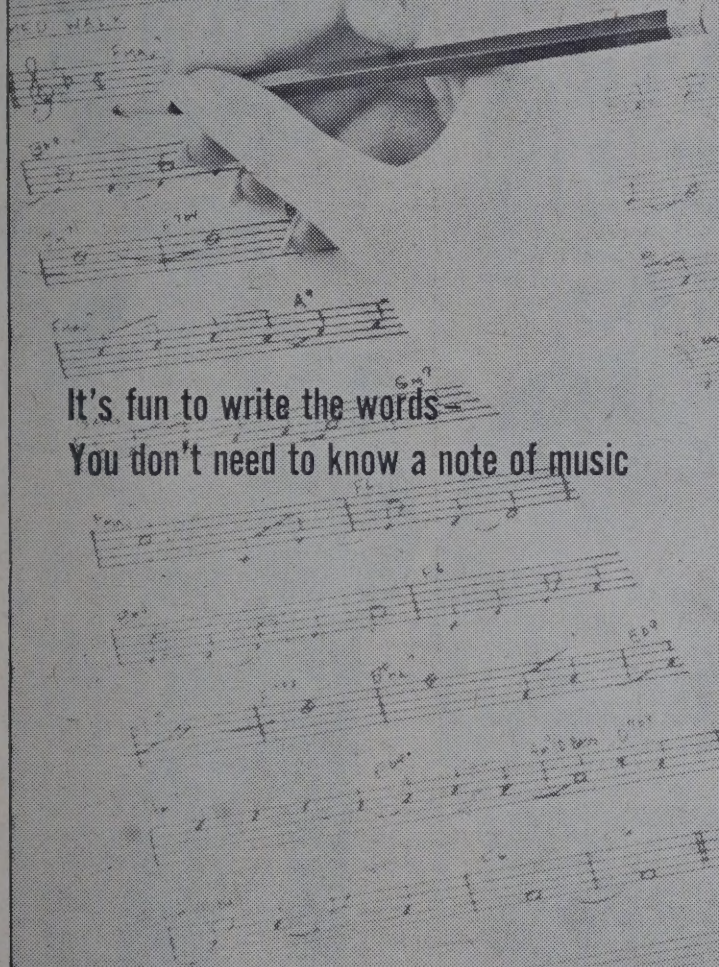

No strings attached we're sure you'll enjoy reading about the String-A-Longs, a new instrumental combo currently riding high with "Should I."

Our favorite local bpy (he's from Conn.) Gene Pitney has done up a wonderful article for us, and if you read it, you'll know why he rates so high with us; a great guy.

The blues groups are movin' along in third gear, so we decided to give you the two hottest combos in contention today, The "Shirelles," and "Shep and The Limelites." And greater groups have never sung (truer words were never spoken, either!).

Charlie Manna of "I Want My Crayons" fame, is the subject of a story on a comedian's style, or way of delivery. We know you're hip to humor on records, so glim this hi-flyin' comic who's hit the top in a hurry.

That'll be it till next time. Stay cool, little ones, and enjoy your HIT PARADER. Till next month. So long!

Why FRANK SINATRA Is Still The "KING"

You turn on the radio and a recording of "Granada" is on the air. "Beautiful," you think to yourself. Then, the song bursts into an up-tempo swinging thing, and you know Sinatra has done it again, giving an old song a fresh new approach. "Granada" is rapidly climbing on the nation's music charts, and once again, Frank Sinatra has a hit on his hands.

Thinking back, it's hard for teenagers to remember not hearing a Sinatra hit record, but his career has had its ups and downs. For the past eight years Frank has staged and sustained one of the most amazing comebacks ever recorded in the history of show business.

In 1952, his career had reached its ebb. Then, he signed with Capitol Records, and, in the following year, won the role of the ill-fated Maggio in "From Here To Eternity." He won an Academy Award for his portrayal, and his movie career continued in an array of top films, such as "The Man With The Golden Arm," "The Pride And The Passion," "The Joker Is Wild," "Kings Go Forth," and "Some Came Running," all vivid proof of his superior acting ability.

Then, he hit the top with a record, "Young At Heart," one of his biggest-selling tunes, and he hasn't stopped yet, with such great hits as "Learnin' The Blues," "Witchcraft," a swingin' "Ole MacDonald," and more recently, "Ring A Ding Ding." He's had more hit singles, possibly, than any other singer, and recently launched his own record company, Re-

prise Records, with considerable success. In the past, he's recorded for Columbia and Capitol Records. He's produced albums by other artists, produced and directed films, and, as a side note, we notice that Nelson Riddle has become much in demand by other vocalists due to his great backings on Sinatra discs.

Many young singers try to imitate Frank's inimitable style, but few can come close. There are things he does, twisting a lyric here and there, doing a vocal trick known as a glissando, that is, holding a note for all its worth, then sliding through to the next, that strangely affects girls, making them close their eyes and sigh audibly. But this doesn't mean that guys don't dig Sinatra's singing. They do, as album sales indicate clearly. He has done more consistently good singing than anyone else in the business, and understandably is either well-liked or disliked by his contemporaries, many of them wishing they were where he is today. His is an intensely personal style, and either you dig him, or you don't. Many people are in the former category, however, as he is about the most popular all-around entertainer in the business. Frank is known in the business, as well as being a superb singer, actor, and entertainer, as an accomplished musician with an amazing knowledge of classical music, who has conducted a 56 piece symphony orchestra. He is such a versatile performer, and is consistently so popular, that we at HIT PARADER say that Frank Sinatra is "still the 'KING'."

I'm so hurt
To think that you, you lied to me
I'm hurt way down deep inside of me
You said your love was true
And we'd never, never ever part
Now you want someone new
And it breaks my heart
Whoa, I'm so hurt
Much more, oh, than you'll ever know
Yes, darlin', I'm so hurt
Because I still love you so

I would never ever hurt hurt you.

From Records To Flicks

DUANE EDDY

**WATCH FOR THIS GUY
IN HIS FORTHCOMING
MOTION PICTURE DEBUT**

Duane Eddy, king of the "twangy" guitar, has found new fields to conquer. He has just completed a feature length movie for MGM called "A Thunder Of Drums," and from all indications, Duane is a very talented actor. Co-starring with him in the "flick" are George Hamilton and Richard Boone of "Paladin" fame. In the movie, he plays the colorful role of Trooper Eddy, the boisterous company bugler. "Drums" is an explosive cavalry drama, set on the frontier in the 1870's.

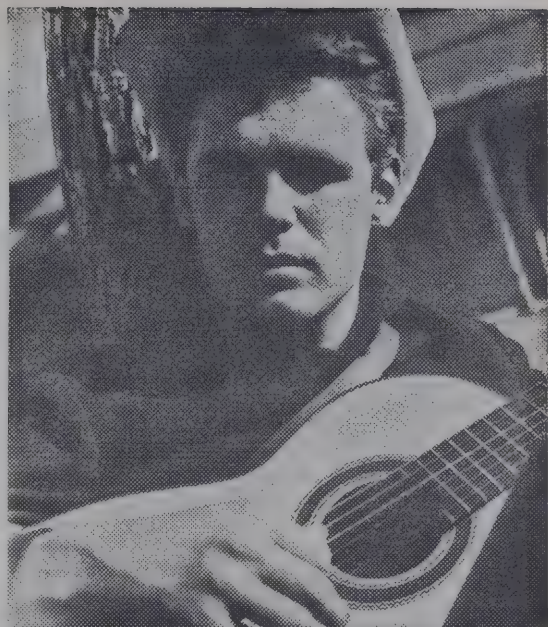

Duane first attracted the interest of studio officials a few months earlier, when he wrote and scored the title theme for MGM's "Ring Of Fire." They reasoned that since he could sell millions of records (he has sold more than twelve million), he could sell a like amount of box-office tickets.

A native Arizonian, Duane's role in "A Thunder Of Drums," by coincidence, took him within a few miles of his Arizona home while on location shooting. He is an avid hunter and spent many of his off-hours pursuing his favorite sport.

While filming "Drums," Duane and Richard Boone developed a fast friendship; an unlikely combination, this seasoned skilled actor and sensitive young musician. The bond

Duane wrote two songs for his first flick; has recorded them, and sings in movie, too.

Duane Eddy shares soda with co-star Carole Wells, on movie set of "A Thunder Of Drums" Miss Wells starred on TV's "National Velvet".

grew stronger, and Richard could be seen helping him with his lines, going over the script endlessly till Eddy had his part perfectly.

"I'm certainly grateful to Mr. Boone for all he's done for me," Eddy says. "The acting tips he's given me have sure been a big help. He's a great actor, director and teacher. And beyond this, he's a genuine human being with great perception and talent. I have immeasurable respect for him."

In return, showing his appreciation, Duane is teaching Richard Boone the thing that he does best — guitar playing — and Boone, indeed, is making amazing progress at it!

Though he's new to the world of motion pictures, Duane Eddy has a formidable record of success in the music business. Since 1958 his recordings have kept the cash registers jingling and the teenagers dancing, to the tune of over twelve million records—an enviable number, considering the fact that he's done something that no other instrumental group has ever done — had six hit singles in one year.

Duane Eddy was born on April 26, 1938, in Corning New York, later moving with his parents to Tucson, Arizona, where he attended high school. Though his family for the most part were farm and ranch people, his father left the

soil to go into the grocery business. It was his father, a guitarist himself, who introduced Duane to the instrument when he was five years old.

He played the guitar, but had little serious interest in it until 1955 when he visited a radio station in Coolidge, Arizona, and met Lee Hazelwood, a staff member there.

Hazelwood recognized natural talent when he saw it, and promptly took him to Phoenix, where they recorded "Movin' And Groovin'" and "Rebel Rouser" for the Jamie label. Duane, playing in a most unconventional manner, hit pay dirt employing the bottom string on his guitar to carry the melody. He calls his brand of music "a mixture of Rock-a-Billy and Blues," yet, off-stage his personal music tastes are wide and some of his favorites are Elvis Presley, Pat Boone, Ella Fitzgerald, Errol Garner, Ray Charles, Chuck Berry and Chet Atkins.

Duane Eddy has had many hit singles, including "Rebel Rouser," "40 Miles Of Bad Road," "Because They're Young," "Detour," "The Secret Seven," "Rebel Walk," and we know he'll have many more. His hit albums include "Have Twangy Guitar, Will Travel," "Especially For You," "The Twang's The Thang," and "Songs Of Our Heritage."

With Heart & Soul

THE

CLEFTONES

Another hit! The fabulous Clefstones have added another ditty to their collection of top waxing, with a record already inching up the charts into the top ten.

Not that this hasn't happened before. Those of you who's been hip to the happenings can remember way back when this talented vocal combo first started, at which time they cut a ditty called "You, Baby, You," during the "golden age" of Rock & Roll. Yes, this group has been swinging for many a moon, and they've had many hits in the past five years, which we know you're hip to.

They have a style that's all their own, in which they incorporate a distinctive and unique vocal blending, coming up with a sound that has "Heart And Soul," which is just what you'll find on their latest recording for Gee Records. They take an old standard tune and give it a bright new "Clefstone" treatment.

This is a group which has survived all of the fads, refusing to alter their original style, avoiding the pitfall of becoming just another group. There are vocal groups that sound differently on every record they make, which only proves one thing: That they have no style of their own. The Clefstones retain that feeling which marks every record they make as distinctively "theirs."

This rockin' group has a quorum of five, and when you hear them sing, you know everyone's present and accounted for. On baritone we find Gene Pearson, the oldest Clefstone, who attended Woodrow Wilson High School in Queens. An avid bowler, Gene, nevertheless, prefers to sing and we're sure glad of that! The man makin' all of those low notes is Warren Corbin, and

he knows where he's at! He attended Jamaica (L.I.) High School, as did the rest of the group, with the exception of Gene.

The "lead" singer of the group, Herb Cox, is one of those singers who has a "feel" for lyrics, putting "soul" into what he does, and "soul" is what makes a record a hit, distinguishing it from the so-so records on the market. This is an important part of the Clefstone sound.

Rounding out the group is second tenor Charles James, a lad who also plays guitar. A hiking enthusiast, Charles loves being with people, enlivening any gathering he's attending.

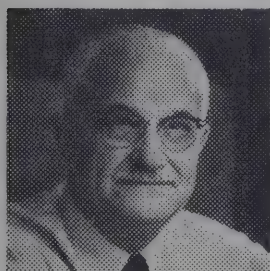

Last, but not least, the feminine touch to the group is Pat Ipann, a true Rhythm and Blues singer, and the youngest member of the aggregation at only eighteen. She likes to sing and capably handles her part in making the "clef-tone" the harmonic sound you all enjoy. Another bowling "bug," Pat makes singing look easy, belying all of the hard work which goes into the group's arrangements. (To make a finished record ready for release takes hours of hard work.)

The Clefstones first met when they sang for a high school assembly during a student election, and, liking the way they sounded together, decided to try for the "big time." The result is what they all hoped for — success and a career in show biz.

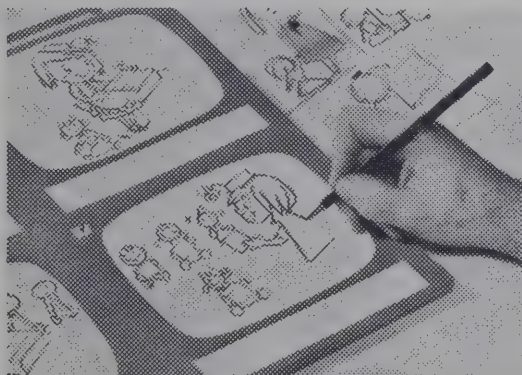

The group members are all bowling enthusiasts, which prompts us to say the following: "It looks like the Clefstones will continue to 'bowl' us over with every record they make scoring 'strike' after 'strike'; and you'd better believe it!!!"

Here's help in getting just the right start for you in commercial art:

Did you realize there were so many different ways to earn money as a commercial artist? The above list could have been even longer, actually.

Besides including great variety, the commercial art field is tremendous in size. Over eleven billion dollars is being spent this year for advertising alone—much of that for art. Then there's the magazine story illustrating. Magazine cover art. Book illustrating. Comic strip cartooning. Calendar art. Greeting card design. And other art fields outside of advertising.

Demand for commercial art is rapidly expanding, too. Openings in art have increased around 50% in the last five years, according to a large employment agency. In addition to all the artists who work for commercial art studios, advertising agencies, stores, publishing houses and other firms, there are many artists who work for themselves from their own studios.

Earnings are up. With the scarcity of good trained artists today, men and women in commercial art are being paid more and more highly. Even beginners in the field.

Many artists today are earning upwards from \$150 a week. Quite a number are earning \$25,000 a year and over. Some get as much as \$3,500 for a single illustration. And a commercial artist earns his living at work he enjoys.

If you like to draw, wouldn't you be happiest, and most successful, in a commercial art career?

Which field of commercial art? That will depend considerably on your own individual talents—your own artistic bent and likings. Much of this can be revealed through a simple *Art Talent Test* that you take at home in your spare time.

Free, this test was devised by professional artists as a test of natural talent. It's a test of the talent you were born with—not a test of how well you draw now.

Take this test and you will receive a free private estimate of your talent—plus skilled counsel and advice as to your own career in art. For one thing, to make the most of your natural talent, you will need expert guidance. This you can now get—right at home—from professional artists at the world's largest home study art school, Art Instruction Schools, founded forty-seven

years ago. Among all commercial artists today, one out of every ten, it's estimated, has studied with this school.

Individualized art training is given—an art education tailored to your own interests and special talents—to help you find just the right niche for you in the art field.

Take free *Art Talent Test*! That's the first thing to do. The test is simple—yet by revealing your artistic talents it will enable professional artists to advise you more wisely about your future. This they will gladly do, without obligating you in any way. Does a money-making career in some branch of commercial art appeal to you? Then mail the coupon today

"MY

GREATEST
THRILL"

by

GENE
PITNEY

Gene talks with two admiring fans at studio TV appearance.

Gene appeared with Anne... on national TV appearance.

"I NEVER DREAMED I'D BE A RECORD STAR"

What does a fella do when he has to make a decision about his career, his life's work? I was faced with this problem a few years ago while attending Ward's Electronics School, a branch of Hillyer College in Hartford, Connecticut.

One night in December of 1959, I was sitting in the college library, ostensibly for the purpose of studying for the next day's physics exam.

I was, instead, working out the melody to a song I had written during one of last week's lectures, not that I didn't like physics. I loved and still love anything to do with the wonderful world of electronics, which points up all too well what I was going through. I did well with my studies, but tonight I wasn't thinking about physics.

As I drove homeward, my thoughts were troubled. And in my mind the same question that had been troubling me since high school kept going over and over.

"Do I really want this? Am I good enough to take on music for my life's career? I know I can be a success in this (electronics), but music is very intriguing to me."

I thought of my parents . . . and their desire for me to become a secure, established business man . . . or doctor, or in electronics, the field I had chosen. I was torn between the two, and nothing was being resolved.

It wasn't long after that I decided finally to abandon any

plans for electronics and devote all my energies to music.

I wrote a few tunes which were subsequently published and recorded. Among them were Steve Lawrence doing "Tears From Heaven," June Valli's "Lookin' At The World," and others recorded by such stars as Billy Bland, Clyde McPhatter, Tommy Edwards and Roy Orbison.

I just my greatest thrill thus far in the music world has been my becoming a star overnight, which I'd read about, never thinking it could happen to me.

It came about when I was in New York making a demonstration record of a new song I'd composed. I met Aaron Schroeder, a music publisher-composer who has since guided me in the role of my manager, a swell guy who has done so much for me. He liked my singing and set up a recording date with United Artists, out of which came "I Wanna Love My Life Away," my first "hit," on the Musicor label.

But I wouldn't have achieved what status I now have if it weren't for you out there.

I've met some pretty wonderful people in the music business, people who came up the hard way, taking years to get to the status some of today's stars have reached with one or two recordings, and all of it impresses upon me the fact that I've been very lucky. My second record is called "With Every Breath I Take." I hope you like it!

Amor, amor, amor,
This word so sweet that I repeat means
I adore you

Amor, amor, amor,
Would you deny this heart that I have
placed before you,
I can't find another word with meaning
so clear,

My lips try to whisper sweeter things in
your ear

But somehow or other nothing sounds
quite so dear,

As this soft caressing word I know
Amor amor, my love
When you're away there is no day and

Amor, amor, my love
Make life divine say you'll be mine and

Though deep inside I knew it wasn't
true

Since you've been gone, my days are
cold and lonely

I just can't seem to want somebody
new

As if I didn't know that you were lying
And that your game of love would
cause me woe

In spite of all the times you left me
crying

I played your game as if I didn't know.

They warned me that some day I'd

And that a broken heart would be the

Believe me when I say that I'm

I'm glad I loved you even though I

Could you pass the test of love, baby
Let me see

S'posin' I should go away from you
Would you miss me

Or would you find somebody new
To give your love and kisses to

Could you pass the test
The test of love for me

Could you pass the test of love, baby
Won't-cha try?

If you were introduced some night
To a good lookin' guy

Would you tell him your heart is mine
Or would you fall for his old line

Could you pass the test
The test of love for me

I got a feelin' that I know you could
But with that feelin' I still knock on

I gotta prove it to the neighborhood
That you love me, love me good

Could you pass the test of love, baby
It's up to you

One sweet kiss could give the answer
That your love is true

So, baby, let your lips confess
That your answer's really yes

Could you pass the test
The test of love for me.

★ WHAT A SWEET THING THAT WAS

GERRY GOFFIN CAROLE KING

You said hello and loneliness said
goodbye then

It made me so glad
That I almost had to cry then

I never believed in love at first sight
But when you held me tight that night,

I knew with you it wasn't a lie

Oh, my, my, my
What a sweet thing that was

Your soul was sweet,
Your lips were warm and tender

I wanted your kiss,

I couldn't resist surrender
I could have sworn that violins played

'Cause when the rhythm swayed,
With you, so near,

I heard the sound of your sigh
Oh, my, my, my

What a sweet thing that was.

I heard you sighin'

I felt like cryin'

You weren't lying

No, no what a sweet thing that was

And then when I heard you

Whisper the word forever

I knew that we'd spend the rest of our
lives together

That feeling we shared

Was too much to bear,

'Cause when you said you cared

I swear, I felt that I was ready to die
Oh, my, my, my

What a sweet thing that was.

★ I'M A TELLING YOU

BUTLER MAYFIELD

I'm a telling you, oh

I'm a telling you

I'm a telling you, hmm

I'm a telling you

A get up, I go to work

I try real hard to do my job

But before the day is gone

I find that I've done something wrong

I'm a telling you, oh

I'm a telling you

I'm a telling you, oh

I'm a telling you

Days are gettin' longer

And my nights get shorter

And my way gets darker

And my work gets harder

I got a room

My wife is mad

The little girl, she's feelin' bad

Little Junior's got the blues

Says he wants a pair of baseball shoes

And everything I do

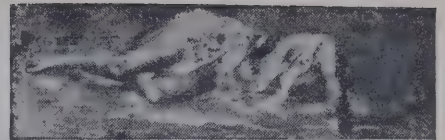

I'm trying to make one dream come

true

And maybe Sunday morn I'll find

Satisfaction and peace of mind.

"PICKING" OUT THE HITS

WITH
LES
PAUL
AND
MARY
FORD

THE COMBINED MAGIC OF
INVENTIVE GUITAR and BEAUTIFUL VOICE
HAVE PAID OFF FOR THIS TEAM

In 1925, nine-year-old Lester Paul soaked a harmonica in a pail of water. It was his first attempt to produce a novel musical sound. Today, Les Paul's experimental techniques are somewhat more complicated. He has an ultra-modern recording studio in his house and a partner in sound, his wife, Mary Ford.

Les Paul and Mary Ford are among the nation's top recording stars, best known for such recordings as "Vaya Con Dios," "How High The Moon," "Mockin' Bird Hill" and "Jura."

Les was fourteen when he made his radio debut in Milwaukee, singing and playing guitar. By 1935, he was working simultaneously on two Chicago radio stations. On one station, he played harmonica and guitar, called himself "Rhubarb Red." On the other, he used his real name and played only guitar. Moving to New York, Les was signed to appear with Fred Waring and his Pennsylvanians. After five years with Waring, he returned to Chicago, where he joined Ben Bernie on CBS Radio. Forming a trio, Les moved to California to work with Bing Crosby, appear in several movies and on all major radio shows.

Following Army service, Les formed another trio in 1945 and took to the road. His group accompanied such stellar vocalists as Dick Haymes, The Andrews Sister and Helen Forrest. Les disbanded this group and returned to California where his experimentation with sounds began in earnest.

He constructed a recording studio in a garage and began to

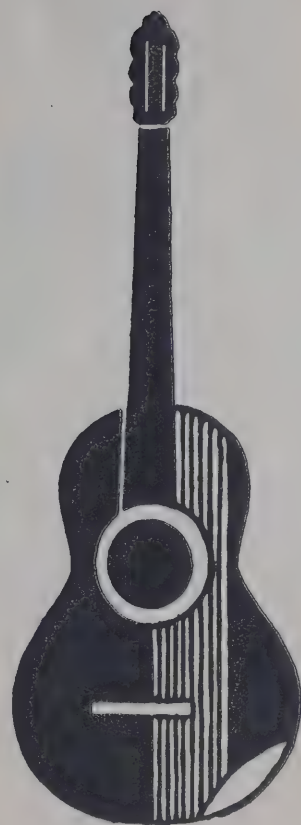

experiment with multiple track recording; playing melody, rhythm and harmony. After more than 500 tries, Les produced the first of his highly successful new sound recordings, "Lover" and "Brazil." Unfortunately, Les' garage studio experiments were interrupted for two years by convalescence from a serious accident.

Les is undoubtedly the only guitar player in the world with a custom-made elbow. His right arm was broken in the accident; when bone grafting was performed, Les asked the doctors to angle his elbow for correct guitar playing.

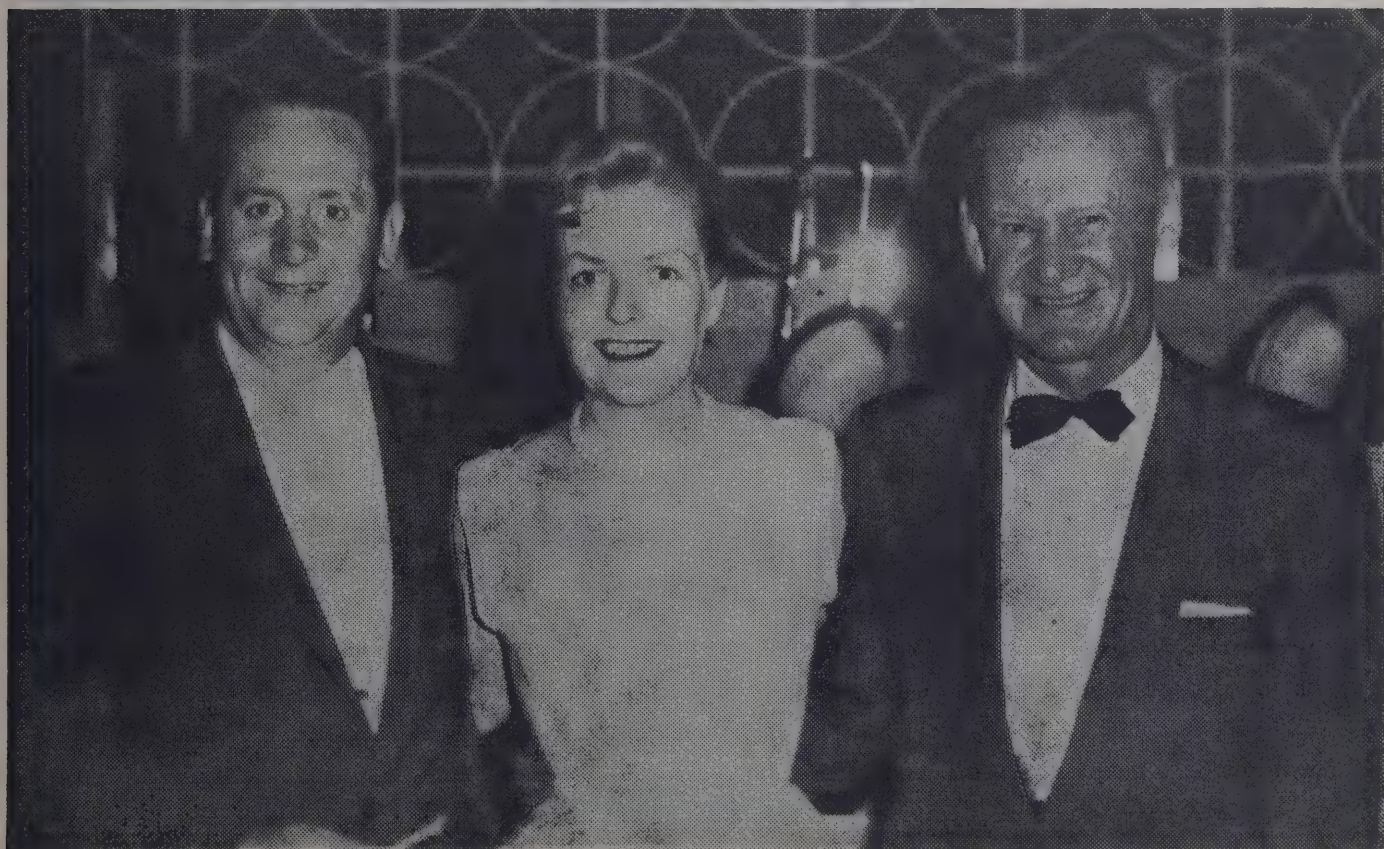

After his convalescence, Les formed a trio with bassist Wally Kamin and a girl singer. The girl was Coleen Summers, daughter of a Church of the Nazarene pastor, and she had been singing and playing guitar with Gene Autry. Les hired her, changed her name to Mary Ford and shortly thereafter changed her name again by marrying her.

Les and Mary toured the country, playing clubs and theatres. Soon, Les decided that Mary's voice could be added to his new sound concept; temporarily, the duo retired from personal appearances and rented a basement in Jackson Heights, Long Island, where Les resumed his experimentation.

Les and Mary continue to play to capacity audiences across the United States as well as in South America. Wherever they are heard, Les and Mary demonstrate the charming inventiveness that has made them one of the most popular "Mr. and Mrs." teams in music.

Here Les and Mary sing up another one of their hits, accompanying themselves on electric guitars, at club.

SWINGING AND SWAYING — Les Paul and Mary Ford, spending an evening with Sammy Kaye and his band.

★ I JUST DON'T UNDERSTAND

MARIJOHN WILKIN KENT WESTBERRY
Well, you call me your baby
When you're holdin' my hand;
Oh how you can hurt me,
I just don't understand
Well, you say that you need me
Like the ocean needs sand
But the way you mistreat me
I just don't understand
Well you know that I love you
More than anyone can
But a one sided love
I just don't understand.

★ GRANADA

DOROTHY DODD AGUSTIN LARA
Granada I'm falling under your spell,
And if you could speak
What a fascinating tale you would
tell,
Of an age the world has long for-
gotten,
Of an age that weaves a silent magic
In Granada today.

The dawn in the sky greets the day
With a sigh for Granada
For she can remember the splendour
That once was Granada
It still can be found
In the hills all around
As I wander along
Entranc'd by the beauty before me,
Entranc'd by a land full of sunshine
And flowers and song.

For soon it will welcome the stars
While a thousand guitars
Play a soft habanera
Then moonlit Granada will live again
The glory of yesterday romantic and
gay.

★ MR. HAPPINESS

SANDY BARON MARK BARKAN
GEORGE EDDY
Since you gave your love to me
I've never been so happy
The day you came
I changed my name to Mister Happiness
They used to call me Mister Blue
That was until I met you
Now I'm glad, never sad
I'm Mister Happiness
I walk around with my head in the
clouds
And a great big smile on my face
I love you so I wanna shout it out loud
I'm the luckiest guy in the human race
So kiss me, darling, just once more
Say I'm the one that you adore
No more tears will I cry
Since you're my girl
And I'm your guy, I'm Mister
Happiness.

★ GOOD HEARTED MAN

ANTOINE DOMINO DAVE BARTHOLOMEW
You've got me walkin' the floor
Like I never was before
You should be ashamed
To hurt a good hearted man
You know that's not fair
You got me pullin' out my hair
You should be ashamed
To hurt a good hearted man
Because a good man is hard to find
I said, "A good man is hard to find"
You worried me so
I just had to let you know
You should be ashamed
To hurt a good hearted man.

★ SACRED

A. ROSS

W. LANDAU

Sacred, our love is sacred
Church bells were ringin'
On the Sunday we met
Heaven, heaven was smiling
Angels were singing
On the Sunday we met
But our love
Burns like a flame in the night
And like a flame, dear
It burns itself out of sight
And I'm still searchin'
I'll find you someday
And you'll be looking
Like the Sunday we met
And I'm still searchin'
I'll find you someday
The sun will be shining
And I'll give you my ring
And you'll be looking
Like the Sunday we met.

★ UNBEARABLE

JACK KELLER

GERRY GOFFIN

When I see your lips moving close to
mine
Soon when they chill so soothin' up my
spine
It's unbearable, it's uncomparable
I can't take it, baby, please do it again
And when your finger tips press my
little cheek
Well, if they go steady
And my little knees, my knees grow
weak
It's unbearable, it's uncomparable
I can't take it, baby, please do it again
There's a big, big, big hurt
My little heart, when I know it's time to
go
But when I hear you, I hear you
knockin' on my door
I always get a feelin' that thrills me so
Now, ev'rybody knows that I'm in love
with you
But when I hear you say
You feel, you feel the same way too
It's unbearable, yes, you know it's
uncomparable
I can't take it, baby, please do it again
Yeah, I can't take it, come on, do it, do
it, do it again.

CAROLE KING

You say you're leavin'
I won't be grievin'
I know someday
When you are all alone
You're gonna find yourself
On lonely street
Takin' that long walk home
I know that long walk home
I know your new love
Won't be a true love
I know someday
He'll leave you all alone
You're gonna find yourself
On lonely street
Takin' that long walk home
You're gonna swim

Seven more miles to go

Got a girl in Abilene town

A-settin' there waitin' for me

Cuddly size with sparklin' eyes

And lips that mighty near floor me

So giddy-up, giddy-up, pony

Do me right, I gotta git

Gotta git, gotta git there tonight,

Git along, pony, git along, pony

Six more miles to go.

Git along, pony, git along, pony

Hey-a, hey-a, hup

Atta boy, pony, keep it up, pony

A fever starts up inside me

Never no use to try to get loose

Her arms have roped and tied me

Four miles to go

Git along, pony, git along, pony

Three more miles to go

DAMITA JO

ALWAYS THERE

WITH A

HIT

**It took a long while but
She's finally made it!**

Damita Jo, an eye-pleasing, dynamic bundle of talent, has done it again! Her smash hit of "I'll Be There" is a sure bet for top status on the charts, a great follow up to her great side, "I'll Save The Last Dance For You," done up previously as "Save The Last Dance For Me" by the wonderful Drifters.

She, however is no amateur newcomer to show biz; she's been singing since in her early teens, and was asked to do a Hollywood screen test at the age of thirteen. But her dad wanted her to stick to her studies, and she subsequently graduated from Sam Houston College in Austin, Texas, with a degree in music. Her mother, who had guided her in her artistic pursuits, and loved her very dearly, died while Damita was still in school. She pledged to herself that she would work hard to gain the stardom that her mother had envisioned for her.

After college, she started to cause a stir around Los Angeles in night clubs, and was in constant demand for radio and television star spots. She had moved to Santa Barbara from Austin while still in high school, where she starred in school musicals, singing and dancing.

Damita first appeared on record for a Spanish label of local (L.A.) origin, and one of her recordings is still requested wherever she appears, called "Way Up High."

She moved up to be the featured vocalist with "Steve Gibson and his Red Caps," a spot which gave her a wonderful opportunity to work with real professionals, playing the most popular nite spots around the country, and appearing on top TV shows.

After spending almost seven years with The Red Caps, she decided she now had the experience and know-how she needed to fulfill her mother's dream, and decided to work as a "single," or featured performer. She had no problems finding bookings; club owners, remembering how she packed them in with The Red Caps, were quick to book her.

She appeared in the top clubs in Chicago, Atlantic City, Ciro's and The Deauville in Miami Beach, Philadelphia, Honolulu, and a South American foray during which she played the top clubs in Rio de Janeiro and Sao Paulo, Brazil. So our gal has "been around," so-to-speak. The talented Miss Jo now is a featured artist with MERCURY Records, and we expect that "I'll Be There" will be second in a long line of hits for the "Little Lady In White." This, incidentally, is the English translation of her full name, Damita Jo Dublanc.

She has had a wonderful musical background, which is as it should be, and the road to success has been a long hard one, but she says she wouldn't want it to be any different. "My career," she says, "has always held the promise of exciting things to come, and I wouldn't want to just make one record, and boom, overnight become a star." She exhibits the same level-headed thinking that has always been a part of her personality, and one thing is certain, Damita Jo will always be there with a hit . . .

★ TILL I WALTZ AGAIN WITH YOU

SIDNEY PROSEN

Till I waltz again with you
Let no other hold your charms
If my dreams should all come true
You'll be waiting for my arms
Till I kiss you once again
Keep my love locked in your heart
Darling, I'll return and then
We will never have to part
Thought it may break your heart and mine

The minute when it's time to go
Remember, dear, each word divine
That meant I love you so
Till I waltz again with you
Just the way we are tonight
I will keep my promise true
For you are my guiding light.

I may not be here tomorrow
But I'm close beside you today
So lie to me a little
Say you love me a lot
And I'll be true to you in my way
Love never goes on forever
At least, that's what wise men all say
So smile when you kiss me
Tomorrow you may cry
But I'll be true to you in my way
Yes, in my way I'll be true
Though you may feel I love someone new

Your lips are warm as the springtime
You're sweet as the flowers in May
But when it's December
I hope you'll remember
I was true to you in my way.

An instrumental group that comes up with a pleasing sound every time! That's the String-A-Longs. This five-man musical team has hit the big time with a great sound; a sound that has all America dancing and listening.

On Warwick records, the group has come up with another smash hit entitled, "Should I," an old standard in a new setting. They've been together, perfecting their stellar sound since all were still in high school in Plainview, Texas.

What originally started out as a trio became a quintet due to the group wanting a fuller sound; now they boast lead guitar, two rhythm guitars, electric bass, and drums. Having been together for over four years, they play together with unmistakable rapport. They played all of the local dances in and around Plainview, finally coming to the attention of Norman Petty of Clovis, New Mexico. Norman arranged for their first record session, "Wheels," which proved to be a smash first outing for the boys. Other hits were "Panic Button" and "Brass Buttons." Their manager, Norman Petty, had them cut an album entitled "Pick A Hit," which is doing very well for them all over the country.

Theirs is a unique style, differing from other R&R instrumental groups in that they don't just play loud and hope it'll cover up the mistakes. They

have a subtlety of style that is a joy to hear. And all of the boys have had quite a bit of experience.

Jimmy Torres, the lead guitarist has been playing guitar for fourteen years! And he's only 21, girls! He held first chair with The Texas All State Band, quite an honor for a lad his age.

Keith McCormack has been playing guitar for something over ten years, and is also the singer of the group. He lists his favorites as Elvis, The Everly Brothers and The Champs.

Aubrey De Cordova the bass man, is enrolled at San Angelo Junior College, San Angelo, Texas, to work for a Bachelor of Science degree. An avid hunter, he spends his spare time at sports or listening to records.

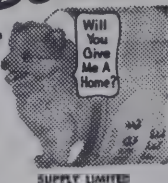

Don Allen, the drummer, and old man of the group, is a hot rod enthusiast, and has been playing the drums for quite a few years now. He's the oldest lad in this rockin' aggregation, at twenty two.

Richard Stevens, although he's only been playing for a few years, actually dropped his lessons because he felt he was going too slow and impeding his progress! Well, he sure can play the guitar now!

So The String-A-Longs wish you well, and we at HIT PARADER wish them a long lineup of hits to come. And for a hit sound, "String Along With The String-A-Longs."

★ TOSSIN' AND TURNIN'

R. ADAMS

M. RENE

I couldn't sleep at all last night
Just thinking of you
Baby, it just ain't right
I was a-tossin' and turnin'
Turnin' and tossin', a-tossin'
A-turnin' all night.

I kicked the blankets on the floor
Turned my pillow upside down
I never, never did before
Because I was a-tossin' and turnin'
Turnin' and tossin', a-tossin'
A-turnin' all night.

Jumped out of bed
Turned on the light
I pulled down the shade
Went to the kitchen for a bite
Rolled up the shade
Turned off the light
I jumped back into bed
It was the middle of the night
The clock downstairs was striking four
I couldn't getcha off my mind
I heard the milkman at the door
Because I was a-tossin' and turnin'
Turnin' and tossin', a-tossin'
A turnin' all night

★ TRANSISTOR SISTER

FRANK C. SLAY, JR. CHUCK DOUGHERTY

She's my transistor sister
With a radio under her arm
No one can resist her
'Cause she's loaded with musical charm
It's Presley, Darin and U. S. Bonds
And it's Fats and Connie and Orbison
She's my transistor sister
Playin' her radio.

Early in the morning
Till late at night
She's in tune with the local deejays
Sings all the words to the latest hits
Right along with the records they play
Yeah, yeah, yeah, transistor sister
Transistor sister, transistor sister
Playin' her radio
She's my transistor sister
Boy, you've got to love her lots
The guys just can't resist her
With her fifty thousand watts
If you dial her in right
You'll get no static
The time and weather it's automatic
My transistor sister
Playin' her radio.

★ WALK TO THE MOON

FRANK C. SLAY, JR.

BOB CREWE

Oh, well, I'll walk to the moon
Oh, yes, I'll climb to the stars
I'm gonna walk, walk, walk to the moon
Oh, yes, I'll climb, climb, climb to the stars
Until I get, baby, where you are
Oh, well, I'll sail across the sea
Oh, yes, I'll row like Hercules
I'm gonna sail, sail, sail across the sea
Oh, yes, I'll row, row, row like Hercules
Until I get, baby, where you are
I'm gonna walk, walk, walk, walk, walk

Walk up to the moon
I'm gonna climb, climb, climb,
Climb, climb, climb up to the stars
Until I get, baby, where you are.

I'm on the chase around the world
To bring you home my little girl
I'm on the chase, chase, chase
Around the world
To bring you home, home, home, my little girl
That's when I get, baby, where you are.

★ MAGIC MOON (Clair De Lune)

FRANK C. SLAY, JR.

BOB CREWE

Magic moon, clair de lune
Shine on the lover of my dreams
Light up my pathway
Leading her straight to my arms
Send down your love light
Magical queen of the night
Magic moon, clair de lune
Sprinkle your moonbeams in her hair
She'll be an angel
Twinkling like stardust
Oh, answer me, answer me
If you hear my prayer
Oh, where is the love
Meant for me to share
Heaven bless the night
When she'll come my way
But until that night
I'll forever pray
Magic moon above
Won't you send me someone to love.

★ HIDE AND SEEK

JEWEL AKENS

Oh, baby, let's play some hide 'n' go seek
Oh, baby, shyi the um cha-cha
Shyi the um cha cha, shyi the um cha cha
Shyi the um cha cha, o le' le'
Stick it on, in and jump in the middle
Count five, ten fifteen, twenty, twenty-five
Thirty, thirty-five, forty, forty-five
Fifty, fifty-five, sixty, sixty-five
Seventy, seventy-five, eighty, eighty-five
Ninety, ninety-five, a hundred
Turn me around now, baby, slow
Ain't gonna count but one more time
And that's gonna be when the sun goes down.

Now last night and the night before
Twenty-four robins at my door
Ran to the door to let 'em in
Hit 'em on the head with a rollin pin
They didn't go East
And they didn't go West
Must have gone back to the robins nest.

★ PLAYIN' AROUND

MARK BARKAN

SANDY BARON

GEORGE EDDY
I used to think I was the only one
And I believed I was your honey bun
Well, now I happen to know
It just isn't so
You're lettin' me down
You're playin' around
Last night I was where
You didn't think I'd be
I saw you there
But you didn't see me
Dancin' an' all
You were havin' a ball
Doin' the town
You were playin' around
I never thought those many nights
You filled my heart with joy
The night would come
When I found you playin'
With a brand new toy
You may find love with some other guy
An' baby you may think
He'd never tell you a lie
Well, it would serve you right
If some bright night
He was lettin' you down
You saw him playin' around.

BIG BATTLE OF THE

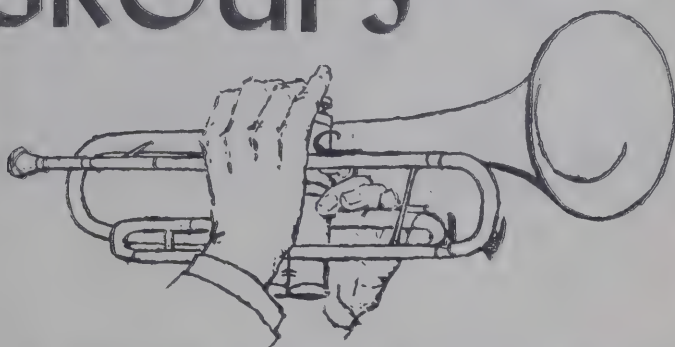

THE SHIRELLES

BLUES

SHEP & THE
LIMELITES

GROUPS

The most popular female Rhythm and Blues vocal group, the fabulous Shirelles, have done it four in a row! This feminine aggregation, possessing beauty, charm and gaiety, came up with another hit recently.

The girls all met in junior high school, in Passaic, New Jersey. They taught themselves harmony, etc. and later entered a talent show in high school. For lack of a name, they hit upon "The Shirelles," a derivation of the leader's name, Shirley.

They were heard at the talent show by Mary Jane Greenberg, whose mother is president of Scepter Records. She listened once and immediately had her mother hear them; she signed them to a long-term contract. Mrs. Greenberg also manages the group today.

In the past, The Shirelles have had hits with "Tonight's The Night," "Will You Love Me Tomorrow," and "This Is Dedicated To The One I Love." Their latest release is a double-sided hit, "What A Sweet Thing That Was" and "A Thing Of The Past."

All four girls are close friends and get along very well together (a feat for any group of females). They have wide musical tastes, and someday want to be accepted singing pop and jazz material, but for the moment, they're content being the "Queens Of The Blues."

Hull Records is proud to present Shep and The Limelites for your listening pleasure, in full measure. The boys have another one on the charts, and already it's starting to cause a flurry of excitement in the record business.

Shep and his two partners had been singing in their own inimitable way for quite a while before their first record, "Daddy's Home," became a hit.

Having a similar-sounding melody and lyric structure made a lot of people think it was The Heartbeats in a sequel to their great "A Thousand Miles Away," but it was really the "swingin' shep-erd and his flock." For a trio, they sure have a full, rich sound.

Their new release is entitled "Ready For Your Love," and we know you're gonna like it. Everybody's always ready when Shepard and the Limelites sing!

So between The Shirelles and the fabulous Shep and The Limelites we have a friendly rivalry as to which group is the tops in Rhythm and Blues.

We invite your comment on the matter, as you are the ones who determine how a record sells, dear reader. So tell us who your favorite is and why.

May the best man (oops) group win!

★ CUPID

SAM COOKE

Cupid, draw back your bow
And let your arrow go
Straight to my lover's heart for me,
for me
Cupid, please hear my cry
And let your arrow fly
Straight to my lover's heart for me.

Now, I don't mean to bother you
But I'm in distress
There's danger of me losing
All of my happiness
For I love a girl
Who doesn't know I exist
And this you can fix, oh.

Now, Cupid, if your arrow
Makes her love strong for me
I promise I will love her until eternity
I know between the two of us
Her heart we can steal
Help me if you will, oh.

★ I COULDN'T BELIEVE
MY EYES

CARL VACCARO

GEORGE EDDY

Sue was always my best friend
Right to the very end
Then I saw my guy kissin' Sue
There he was a-huggin' her too
Yes, she was always my best friend
But that's where the friendship ends
And I couldn't believe my eyes
I couldn't believe my eyes
I couldn't believe my eyes, wo-o-o no
Tears went rollin' down my cheek
My heart felt heavy and my knees felt
weak
I thought the world was comin' to an
end
I lost my guy and my best friend
Yes, Sue was always my best friend
But that's where the friendship ends
And, I couldn't believe my eyes
I couldn't believe my eyes
I couldn't believe my eyes, wo-o-o no
Sue just laughed and said to me
Friend, that's how it's got to be
My guy looked and said that's right
Sue and I are real tight.

★ SAD EYES, DON'T
YOU CRY

ADDY BARON

BERNICE ROSS

Sad eyes, don't you cry
You are the only one
If I made you cry
I meant it all in fun
I'm sorry, so sorry
If I have broken your heart.

Sad eyes, don't you cry
I didn't mean to flirt
No one could compare
With the little girl I've hurt
Let's make up, not break up
We weren't meant to be apart.

So come into my arms
And tell me that you're mine
The way that you did before
Please let me kiss away
The teardrops from your eyes
A little smile
Is all I'm waiting for
Sad eyes, don't you cry
Just tell me I'm forgiven
Please don't say goodbye
It's just for you I'm living
I love you, I love you
Sad eyes, don't cry anymore.

★ ROLLER COASTER

CARL VACCARO

GEORGE EDDY

Went with my guy on the roller
coaster
Away up high on the roller coaster
We went a-twistin', turnin' around
Makin' circles high above the ground
Oh, what a night on the roller coaster
He squeezed me tight on the roller
coaster
He told me, baby, don't you scare
I ain't gonna let you fall in the air
The roller coaster clinked and clanked
up a hill
Got to the top and almost stood still
I closed my eyes and pulled him closer
to me
That's when he kissed and thrilled me
And I hollered ooh-ee
We fell in love on the roller coaster
Way up above on the roller coaster
And when that crazy ride was done
I knew my big romance had just begun.

★ I'VE GOTTA LOTTA
THINGS TO DO

HANK HUNTER

JACK KELLER

I've gotta lotta things to do
Since you said we're thru.
I'm just as busy as a bee
Oh, woe is me
I must admit it's gettin' rough
The days just aren't long enough
I've gotta lotta things to do
Since you said we're thru
I've gotta walk the floor
And sing the blues
Ever since I heard the news
I've gotta sit 'n' cry all by myself
Since you put me in the shelf
I've gotta hear the tick tock of a
clock
I've gotta be alone by a telephone
I've gotta lotta things to do
Since you said we're thru
I've gotta lose my appetite
An' never sleep at night
I've gotta tell my broken heart
That it's wrong to part
An' like a fool
I've gotta dream an' hope
And pray an' even scheme.

★ AM I THE GUY

GERRY GOFFIN

CAROLE KING

When you say that you love me
And swear you'll be true
Is it really another
You're sayin' it to
I know I'm the guy
Who's holdin' you tight
And hearin' you sigh in his arms
But am I the guy in your heart
Each time we're together
Are you glad that it's me
Who's kissin' your lips so tenderly
Do you ever wish that somebody else
Could hold you and thrill to your
charms
Darling, am I the guy in your heart
If somebody else
Should ask you for your love
Darling, which one
Which one would you choose
Would you stay by my side
Without the slightest regret
Or would I be the guy who would lose
I don't mean to doubt you
Without any cause
But you know who's in my heart
Tell me who is in yours
I know I'm the guy who's holding you
tight
And hearin' you sigh in his arms
But am I the guy in your heart.

★ FIND ANOTHER FOOL

BARRY MANN

CYNTHIA WEIL

You used to hurt me so
You'll never know
And I cried ev'rytime
You were untrue
But now without a doubt
My tears have all run out
And so has my love for you
Go find another fool
Who'll believe your lies
Yeah, find another fool
'Cause this fool got wise
Each day my lovin' heart
Was torn apart
'Cause all your cheatin' ways
Drove me insane
But now my heart is free
'Cause suddenly I see that you
Aren't worth the pain
Go find another fool
Who'll believe your lies
Yeah, find another fool
'Cause this fool got wise
Find another lover
Teach him how to cry
Make him sad
Treat him bad
But get yourself another guy
I've nothin' left inside
Except my pride
So leave me that
And please just walk away
And when you're lookin' for someone
To hurt some more
Don't call, 'cause I'll only say
Go find another fool
Who'll believe your lies
Yeah, find another fool
'Cause this fool got wise.

I'm gonna knock on your door
Ring on your bell
Tap on your window, too
If you don't come out tonight
When the moon is bright
I'm gonna knock 'n' ring 'n' tap
Unless you do
I'm gonna knock on your door
Call out your name
Wake up the town, you'll see
I'm gonna whoo-hoot and howl
Like a lovesick owl
Until you say
You're gonna come out with me
Hey, little girl,
This ain't no time to sleep.

T. CARLO
You run your mouth from dusk till dawn
You don't even stop to yawn
You rather wag your tongue than eat
You're even gabbin' in your sleep
(You talk too much
You talk too much)
She's a blabber mouth.

You're on the phone every day about noon
When you quit there's a full bright moon
Your job won't really do a job
Why you can out talk any mob.

You better take a friendly tip
Stop your runnin' of the lip
You don't let nobody say a word
You chirp, chirp, chirp just like a bird.

★ LOVE MESSAGE

STEVE HARRIS

NOEL GORDON

Went down to the telegraph office
On a rainy day
Sent a message to my boyfriend
Who was far away, and it said
Da da dit di da, da di di di dit
Da da dit di da, da di di di dit
Da da dit di da, da di di di dit
I still love you so
You will never know.
The operator read the cable
And pushed the tel'graph key
To him it was another wire
But it didn't mean that to me
'Cause it read
Da da dit di da, da di di di dit
Da da dit di da, da di di di dit
Da da dit di da, da di di di dit
Please come home to stay
Every night I'll pray.
Waited for my true love's answer
His reply soon came
Told me that when he comes back
I'll have a different name
And I said
Da da dit di da, da di di di dit
Da da dit di da, da di di di dit
Da da dit di da, da di di di dit
Hurry home to me
And your wife I'll be.

I always come back to you
Yo Yo girl (Yo Yo girl, doo wah)
Don't treat me like you do
You let out the strike
And I come running back to you
(Yeh, yeh, Yo Yo, yeh, yeh, Yo Yo)
Yo Yo girl, (Yo Yo girl, doo wah)
I'm wrapped around your finger
Yo Yo girl, (Yo Yo girl, doo wah)
You know I'll linger
I go up and down and spin
'Round and 'round for you
(Yeh, yeh, Yo Yo, yeh, yeh, Yo Yo)
I can bring you happiness
That you yo's cannot bring
Won't you ever set me free
And let me off the string
Yo Yo girl, (Yo Yo girl, doo wah)
Go find another toy
Yo Yo girl (Yo Yo girl, doo wah)
I'll find another boy
I'm cutting the string
And never coming back to you.

★ I SLIPPED, I STUMBLED, I FELL

BEN WEISMAN

FRED WISE

I look at you and, wham
I'm head over heels
I guess that love is a banana peel
I feel so bad
And yet I'm feeling so well
I slipped, I stumbled, I fell
One crazy kiss and, bam,
I head for the skies
I guess that love is like a cake of ice
You skate along, but then you never can tell
I slipped, I stumbled, I fell
I never thought I'd get tricked by your sweet talkin' lies
You've got a bag of tricks
And when you got busy
I got dazzled and dizzy
I fell like a ton of bricks
My knees are weak
My head is spinning around
I guess that love has turned me upside down
Thought I'd get hurt, but, gee
It's turning out swell
I slipped, I stumbled, I fell.

HOLDS IN ABDOMEN SCIENTIFICALLY

The tummy requires more hold-in in some areas and less in others. To take care of this difference we designed variable stretch V panels and put them into SLIMTEX. The result is an exciting new belt which for the first time really gives you a truly flat front, nips the waist and holds the back together firmly. You'll feel so comfortably light on your feet.

HOW THE VARIABLE STRETCH V PANELS WORK

Imagine 3 pairs of hands (see illustration) each holding a V panel stretched across the abdomen. One pair of hands pulls harder where there is more bulge. A second pair of hands pulls another panel but less firmly. A third pair of hands now pulls on the third panel but just hard enough to even out what the other hands have redistributed.

You now feel wonderful! Back, abdominal bulge and waist are properly and firmly but comfortably held-together. Once you slip into a Slimtex you'll never wear another belt. No steels, bones, or buckles.

HIGH-FLYIN' COMIC

**CHARLIE
MANNA**

Comedian Charlie Manna is the newest, freshest comic on the horizon, and for good reason too. He is a 'new school comic,' right out of 'the old school.' In other words you don't need an interpreter to laugh while he's on. His sense of timing is perfect, and his material choice is impeccable. "Comedy," according to Charlie, "is profound and reflects the times." "It is one of man's oldest means of expressing himself and it can be applied to almost every topic. When daily subjects get too serious to be treated with a humorous twist, then is the time to start worrying."

He was seriously criticized when word got around that he planned to joke about the American astronaut program in his latest Decca album, "Manna Overboard." Charlie was told this was too serious a subject to be treated lightly, but his reply to that was, "In Russia yes, but thank God this is a free land."

His astronaut sequence in "Manna Overboard" is about the first astronaut's refusal to take off into space without his favorite box of crayons and coloring book. The astronaut's infantile and, in the end, futile insistence on his crayons is at once human and hilarious. Alan Shepard disclosed after his successful flight into space that he had heard Manna's record and received a hearty laugh from it prior to take off time. In fact, Bill Douglas, the base flight surgeon, gave him a box of crayons during the great period of tension and pressure, and it was then that Shepard just broke out into hysterical laughter. He later described this as "a real tension breaker," and just what he

needed. "I fainted three times when I heard that my satire had helped Shepard relax," said Manna. "It was a great thrill," he added, "If the astronauts found the crayon situation humorous, I guess it doesn't hurt the rest of us to have a laugh on them."

Topical material is the most popular with audiences today claims Manna. "Unlike timeless situation material, topical material is short lived." He thinks his astronaut gags will orbit for only a year or so.

Charlie avoids sick humor because he feels it excludes large segments of the population. He recognizes the hilarity of it, but doesn't feel it is in very good taste. He manages too to stay away from off-color material except for an occasional purple touch in night club work. Actually, Charlie avoids this as much as possible. "Blue material doesn't always mean a comic is very funny," says Charlie.

The Bronx-born New Yorker studied for an operatic career, and was also a comedy writer. He never realized his potential until Special Services discovered he had ability as a laugh getting master of ceremonies for G.I. revues. After a few seasons at the Catskill resorts he graduated to the big nite spots and guest appearances on the top TV shows.

"I don't regret giving up opera," he said, "The career of a comic can be the longest in show business. One doesn't have to depend upon good looks, glamour, or the perfection of his voice." "Jack Benny, Bob Hope, Red Skelton, George Burns and others are living proof!"

★ TRAVELIN' MAN

JERRY FULLER
I'm a travelin' man
And I've made a lot o' stops
All over the world
And in every port
I own a heart
Of at least one lovely girl.

I've a pretty senorita waitin' for me
Down in old Mexico
And if you're ever in Alaska
Stop and see my cute little Eskimo
Oh, my sweet fraulein down in Berlin
Town
Makes my heart start to yearn
And my China doll down in old Hong
Kong
Waits for my return
Pretty Polynesian baby over the sea
I remember the night
When we walked on the sands at
Waikiki
And I held you, oh, so tight.

BARRY MANN ART KAPLAN
Tell me little bluebird why do you sing
It it robin in the tree
Or Lilly White the dove
Tell me little bluebird where do you go
When the sun begins to fade
And the stars begin to glow
Bluebird, bluebirds up above
You're like me
'Cause you've got no one to love
La la la love, la la la love, la la la love
Tell me little bluebird why do you sing
It is 'cause you're by yourself
And lonely in the Spring
Bluebird, bluebird, I'm lonely too
Wish I had the wings to fly
I would fly away with you.

★ FOR A THRILL

ADOLPH SMITH
You broke my poor heart for a thrill
You shattered our dreams for a thrill
You're happy and carefree
What's going to happen to me, to me
I need you with me once again
The love that we knew still remains
Without you to guide me
What's going to happen to me
The church bells won't ring
The choirs won't sing
There won't be a wedding day
Deep in my heart
Will live a part of you
Just you for always
You left me alone here to cry
How I cried when you said goodbye
Without you to guide me
What's going to happen to me.

★ DON'T SAY GOODBYE

RICHARD WASG THEODORE TWIGGS
HARRY PRATT
Don't say goodbye
Don't even try
For you are my love
The only love I'm dreaming of
Don't say goodbye
You made me cry
For you are my thrill
The only thrill
I'll tell you why
I'll miss the kiss
Such as this kiss
In the middle of the night
Altho' you know
That your touch means so much
When you're holding me tight
Don't say goodbye
I told you why
Can't you see you're meant for me
Don't say goodbye.

★ THOSE OLDIES BUT GOODIES (Remind Me Of You)

PAUL POLITI

NICK CURINGA

Those oldies but goodies
Remind me of you
The songs of the past
Bring back memories of you
I always remember
The first night we met
The songs that were playing
I never will forget
I always will treasure them
So close to my heart
Although we're apart
Each time that I hear them
A tear starts to fall
For I love those memories
That I recall.

Yes, dear, they are playing our songs
And they will always remain our song
And each time you hear them
I hope you too
Cherish the wonderful memories
Our love once knew
For these songs are just a symbol
Of the love that I have for you.

C. V. MATASSA

RUTH DURANDT

Yes, here's bells in my heart
And there's stars in your eyes
I'm so in love with you
Let it be the tie that binds
What joy and ecstasy
You're just the one for me
Great day, there's bells in my heart
Yes, it's peace to my mind
Just to know that you're for me
Our love has made us one
You're mine and yours you see
You thrill like no one can
My heart is in your hands
Great day, there's bells in my heart
I've locked you in my heart
I've thrown away the key
There's no escape for you
For you belong to me
Oh, please don't ever leave me
Don't say that you don't care
I'd follow you around
I'd find you anywhere
You're sentenced to my life
Our love is Paradise
Great day, there's bells in my heart.

(Don't Go)

★ PLEASE STAY

BOB HILLIARD BURT F. BACHMANN

Don't go, please stay
Don't go, my love
If I got on my knees
And I pleaded with you not to go
But to stay in my arms
Would you walk out the door
Like you did once before
Or would this time be different?
Would you stay?
Don't go, please stay, don't go
If I called out your name
Like a pray'r in the night
Would you leave me alone
With my tears
Knowing I need you so
Would you still turn and go
Or would this time be different in some way?
Some hope, some chance for me
You took me away
From the rest of the world
When you taught me to love you like this
Now I hang by a thread
In the canyon of doom
But I still can be saved by your kiss
If I got on my knees
And I pleaded with you not to go
But to stay in my arms
Would you walk out the door
Like you did once before
Or would this time be different?
Would you stay,
Don't go, please stay, don't go, my love.

★ LOVE HURTS

BOUDLEAUX BRYANT

Love hurts, love scars, love wounds
And mars any heart not tough, nor strong enough
To take a lot of pain, take a lot of pain
Love is like a cloud, holds a lot of rain
Love hurts, love hurts
I'm young, I know, but even so
I know a thing or two I've learned from you
I've really learned a lot, really learned a lot
Love is like a stove, burns you when it's hot
Love hurts, love hurts
Some fools rave of happiness, blissfulness, togetherness
Some fools fool themselves, I guess
But they're not fooling me
I know it isn't true, no, it isn't true
Love is just a lie made to make you blue
Love hurts, love hurts.

★ LOOK FOR MY TRUE LOVE

BOBBY DARIN

Hey there, rollin' river
On your way to sea
Won't you look for my true love
To send him on home to me.

Whistlin' winds, I beg you
With all the things you see
Won't you look for my true love
To send him on home to me.

I been try'n' for a long long time
To find the one I adore
Mister Wind, keep lookin' over this land
Mister River searchin' every shore till you find him
Mister Moon, if you're list'nin'
Won't you answer my plea
Won't you look for my true love
To send him on home to me.
